

✓ Medical Equipment ✓ Medical Support

Terracotta Medical Trading is the medical support services division of Terracotta International Group established in 1986, the group was formed as a response to the increasing demand for efficient and professional local establishments in the United Arab Emirates.

As of today, Terracotta International Group supplies a wide range of world-class services through its diverse business divisions, and Terracotta Medical Trading is a rising star among those divisions, providing support services to healthcare service providers in the UAE.

We are empowered with market experience since 1986.

Our clients and our people are our main concerns.

We strive to assist and facilitate the launch of our principal's products in the 7 emirates of the UAE.

We are flexible and easy to do business with.

We provide our clients with tailor-made solutions.

Our main activities are based on being the exclusive distributor/agent of many reputed international manufacturers and suppliers. We act as a partner of the principals, hence promoting, and servicing the principals' products in the best way possible.

We provide local healthcare service providers, clinics & sports clubs with:

Medical Equipment

Pharmaceutical Equipment & Products

Aesthetic Non-Invasive Slimming Equipment

Scientific Lab Equipment

Dental Equipment

Physiotherapy Equipment

Sports Equipments & Supplies

Furnituing & Supplies for Medical Offices and Waiting Rooms

Store Room Units & Supplies

Sanitization & Cleaning Tools

Medical Staffing

We are recognized by global accreditation institutions and organizations, for our high performance standards and the quality of services we extend to our clients.
